Beginner Race non championship Boys 7 and under	8:15 AM	8:31 AM	2 laps Green Course	\$20	20 minutes
<b>RACE NOTES</b>					
Staging order for the non-championship races will be done based on registration date, earlier you register, the better your starting spot. Staging for the Championship will be posted soon but will follow a similar format to how USAC Nationals were compiled. Based on final course layout, lap numbers might adjust slightly. The target duration time for the race will remain constant with the final lap layout and number being set to meet those targets. Awards for the championship categories will all be done together at the conclusion of the final boys race in the afternoon.
